WHY USE WAYPOST STONE SIDING?

- **50 YEAR LIMITED WARRANTY.**

Designed and tested to withstand harsh exterior climates, but wonderfully suited for interiors as well.

- **WATER INTRUSION IS NEVER A PROBLEM.**

Waypost's integral drainage plane is designed to eliminate water and give you peace of mind.

- **HIGH COMPRESSION STRENGTH.**

Our high compression strength aggregate tests at more than twice the industry average which reduces panel breakage.

- **INTERLOCKING CORNER DETAIL.**

Our interlocking corners provide a more seamless look and covers more square footage.

- **IT'S EASY TO CUT.**

Custom fitting WayPost Stone Siding couldn't be easier, all you need is a circular saw and tin snips

- **A PROFESSIONAL FINISHED APPEARANCE.**

Waypost's line of accessories provide the clean finished details of a professional installation.
